

**PASSOVER MATZOS UP 60% IN ISRAEL**

TEL AVIV (WNS) -- Passover is expected to be expensive in Israel this year following the approval of the Ministry of Commerce and Industry of a 60 percent hike in the price of matzos and matzo flour.

A 2.5 kilogram package of matzos -- one week's supply for one person -- will cost IL 6.50 compared to IL 4 last year. A Ministry spokesman said there would be no shortage of matzos and other traditional Passover foods. The Ministry also announced that it would lower

prices on imported fish fillets and frozen liver. Meanwhile furniture, clothing and shoe retailers have decided to absorb the 7.5 percent sales tax increase rather than pass it on to consumers because of the decrease in consumer demand. The Histadrut has urged that any proposed layoffs be postponed until after Passover.

Government spokesmen say that the government will be able to cope with any "pockets" of unemployment. Both the Finance and Labor ministries claim there is no unemployment in Israel, yet. David Horowitz, former Governor of the Bank of Israel, told Israelis that they

have been artificially shielded from the worldwide recession and they should be prepared to pay even higher taxes since the tax rate is not high enough considering the nation's burdens.

SAN ANTONIO, TEXAS (WNS) -- A Moslem mosque and community center, the first of its kind in the United States, will be built here to serve Moslem 4,500 soldiers being trained at nearby U. S. military bases.

JERUSALEM (WNS) -- The Bank of Israel is negotiating with the Arab Bank of Jordanian on the possibility of the Jordanian bank's opening branches on the West Bank.

A good mechanic  
A bad mechanic  
Or no mechanic at all

And with watches, it's no different than with cars.

Our WYLER watches come from Switzerland where they believe in built-in quality. Not flash, not gimmicks. Just constant quality performance.

But if your WYLER ever needs servicing, you've got the best mechanic in town. We are recognized watch professionals—and all the genuine WYLER parts are right here.

So don't get taken. Like a fine car, a fine watch must come from a reliable dealer, who will give you honest value. Like cars, WYLERS come in a choice of models starting at only 39.95. All with written guarantees—the factory's and our own. As a matter of fact, we wear WYLER watches ourselves.
