over as manager of the K - Mart store on Sahara in June and was looking for a home here.

"We can get what we want now," he said.

Ironically the check cut for \$10,000 by Union Plaza Comptroller Roy Galyean was numbered 10,000.

"The odds of that happening are astronomical," said Galyean as he handed the check over to Neuberger.

The plane was the second given away by the Plaza in the last three months. It can be won for a single quarter by lining up four planes on a slot machine adjacent to the plane in the Plaza casino.

Doing a favor for a friend resulted in a down payment on a house for John Neuberger of Show Low, Arizona.

Neuberger drove a friend's car to Las Vegas and decided to stay an extra day with his in-laws who brought him to the Union Plaza where he won a Cessna 150 Commuter airplane.

"I heard about the possibility of winning a plane at the Plaza," said Neuberger "and my father-in-law, Joe Tranchina, took me there. I had no dream of winning it."

Win it he did, though, and accepted a check for \$10,000 in lieu of the aircraft which he will use for payment on a house when he moves his family here June 1.

"When those four planes lined up on that machine, I couldn't believe it," said Neuberger.

Trachina called his wife who then called Margaret Neuberger in Show Low to inform her of the good news.

Actually we started at the Westerner where I won about \$25 in quarters," said Neuberger. "Joe, who comes to the Plaza every Thursday, said to bring the quarters down and try to win the plane."

Neuberger will take

Harley & Cleo have been long time residents of this community.
