## RECORDING COMPTON BROTHERS IN LANDMARK'S COUNTRY SHOW

Dot recording artists The Compton Brothers (Harry & Bill) are currently appearing in the Landmark's "Country Music U.S.A." now in its fourth edition.

Over the past few years, The Comptons have hit the charts with "Haunted House," "Charlie Brown," "Yellow River" and "California Blues."

As well as recording much of their own material, they have written for such artists as Conway Twitty and Lucille Starr, as well as recording the theme song for a national television special.

Whether it be a solid country ballad, red-hot country rock, or a smooth pop number, the Comptons do it all, and flavor it with an endless stream of original comedy routines, ad libs, and one-liners.

Headlining in the country music revue are Barbara Fairchild and Henson Cargill with special guest star Skip Devol.

Opening Monday for the fifth edition of "Country Music, U.S.A." will be Tex Williams and Johnny Duncan.

## PLAZA'S SCOTT HEADS NEVADA RESORT ASSN.

Hard work and dedication to cooperation between downtown and Strip casino owners is the theme of the Nevada Resort Association's new president, Frank E. Scott.

Scott, chairman of the board and president of the Union Plaza Hotel Casino, was elected to the post this week succeeding Harry Wald, executive vice president of Caesars Palace.

"I realize it's going to be tough following in the footsteps of Harry Wald," said Scott, "but I hope we can continue the fine leadership he displayed."

Also elected were vice presidents William S. Weinberger (Caesars Palace), Don E. Ashworth (Golden Gate) and Jack K. Pieper (Frontier Hotel). David Hood of the Four

Queens was elected secretary and Jack B. Binion of the Horseshoe was elected treasurer.

Managing director of the NRA is Robbins Cahill and William N. Campbell is director of labor relations for the association.

Scott emphasized that cooperation between downtown and Strip hotel owners in solving mutual problems will be the key to the suc-

cess of the organization.

"By establishing a closer liaison we will be able to strengthen our operations," said Scott.

Scott is also president of the Nevada Development Authority, serves as a director of the Chamber of Commerce, Nevada Power Co. and First Western Savings and Loan and is chairman of the Board of First Western Financial Corp.
