

Hollywood is tripping out over....FRANK SINATRA and his constantly changing image. Just when you think you've heard enough about his lawsuits and fights, etc., you hear this. Not only did he walk on the Cerebral Palsy Telethon here in Los Angeles and ad lib three songs but he left behind a check for \$10,000. What a guy!.....ANTHONY HOPKINS, here to do the George Brent role in the TV movie remake of "Dark Victory," went to the beach the day before shooting began. He fell asleep and woke up with second degree burns. But the show must go on, so he reported for work. His wardrobe for the first day? Tweeds, shirt, tie, hat, the works. Smarts just to think about it doesn't it? Shooting has been delayed while Anthony de-burns.....the "impending marriage" of WARREN BEATTY and MICHELLE PHILLIPS. Every columnist breathlessly reports that they know the exact date, etc. but the next morning they are still Mr. and Ms. Me, I don't know anything....CHRISTINE JORGENSEN'S "Christmas in July" party that she threw in her Laguna Niguel manse. It started at 6:30 p.m. and ended about the same time, 12 hours later....the top notch cast lined up for what sounds like a funny movie, "Murder by Death." The cast is made up of all famous fictional detectives (the names are changed to protect the innocent and their copyrights). ESTELLE WINWOOD plays Abigail Christmas, nurse to Miss Marble (ELSA LANCHESTER).

DAVID NIVEN & MYRNA LOY are Dick and Dora Charles, Sam Shovel and his girl Tess are PETER FALK and EILEEN BRENNAN, Inspector Pierrot (JAMES COCA), and his manservant, (ALEC GUINNESS), ORSON WELLES will essay Charlie Chong and his number one son will be KEYE LUKE (Who has played Charlie Chan's number one son in 11 movies), and the butler and maid will be MARCEL MARCEAU & NANCY WALKER. This group is gathered together by a mysterious Mr. Twain (TRUMAN CAPOTE). NEIL SIMON is writing the lunacy so it should be a gas!.....how wild some of next season's series episodes are going to be. "All in the Family" has Archie getting a little loaded in Kelsey's Bar and trying to pick up a lady who turns out to be no lady but a transvestite. No, I don't know if that stops him or not. "Medical Center" has a two parter about a doctor who decides to have the sex change. His wife and son are a bit upset to say the least. The son is afraid that it might be hereditary and the wife can't accept it. You'll never guess who is going to play the doctor? ROBERT REED, the father of all those darling Brady kids. Wonder what they think of Daddy now?.....the return of both the "Godfather" and "Godfather, Part II" in an unprecedented deal with NBC. FRANCIS FORD COPPOLA will put the two films together plus he will add some previously cut footage and make a 10 hour feature to be shown on four different nights. Now that's an offer he couldn't refuse. ....MAC DAVIS' solid SRO gig at the Universal Amphitheatre. Davis, not content to just rest on his TV and recording laurels put together an entertaining package that had first nighters on their feet. He proves without a doubt that he is the "Entertainer of the Year." I remember when I first met him a few years back. I thought what a nice guy but he looks too much like MICHAEL COLE to make it. Yes, indeed, I said that. By the way, what is Michael Cole doing today?

Have an entertaining week yourself.  
KVEG Radio, according to operations manager Mike Davis, is now on a "Solid Gold" format featuring top tunes of the 50's and 60's. It's at 970 on the AM dial.

ISRAELITE ADS PAY

The American National Red Cross has budgeted \$25,000 for assistance to the residents of Clark County who were affected by the July 3 flash flooding. Red Cross representatives have desks at the Small Business Administration Disaster Assistance Office in room 202 of the Post Office at 301 Stewart Avenue.

**YOU HAVE ONLY 3 CHOICES**

A good mechanic  
A bad mechanic  
Or no mechanic at all

And with watches, it's no different than with cars.

Our WYLER watches come from Switzerland where they believe in built-in quality. Not flash, not gimmicks. Just constant quality performance.

But if your WYLER ever needs servicing, you've got the best mechanic in town. We are recognized watch professionals—and all the genuine WYLER parts are right here.

So don't get taken. Like a fine car, a fine watch must come from a reliable dealer, who will give you honest value. Like cars, WYLERs come in a choice of models starting at only 39.95. All with written guarantees—the factory's and our own. As a matter of fact, we wear WYLER watches ourselves.
