Dear Sir:
We were pleased to receive your issue of July 11th which featured the statement of Dr. Joseph P. Sternstein, President of our organization.

We believe that our particular view on this important matter is one which meets with the sympathy and support of the American Jewish community, and that events in recent time as well as the present confirm that our position is very valid and in the best interests of Israel and the Jewish people.

Recognition of the importance of Dr. Sternstein's statement reflects on your astuteness and understanding of the issues, and I believe that presenting it to your readers was an excellent service, and a fulfillment of an important journalistic responsibility.

With many thanks and best good wishes,
Sincerely yours,
