LINDA HART FEATURED IN STRONG COUNTRY MUSIC AT LANDMARK

The sixth edition of "Country Music U. S. A." now firmly planted in the Jubilee Room at the Landmark, is one mighty strong country / western revue headlined by

The Oak Ridge Boys with special guest star vocalist Linda Hart.

A powerful, well-cultured voice housed in a great body, Linda Hart is well on her way to becoming the next country music superstar. The energetic singer/musician (she plays a mean piano) has appeared with Bob Hope, Johnny Cash & Roy Clark and is now appearing in her third edition of "Country Music U.S.A."

The Oaks, who are the so-called "Rebels Of Gospel Music" were formed 17 years ago, and in that time, they have pioneered the sound of gospel, bringing it to what they put forth today-- a combination of pop/rock /gospel--brought about by the use of drums, synthesizers, rhythm guitars (in addition to the traditional instruments), mod clothes and progressive attitudes.

Singing to make people happy, the boys are easily the most exciting group in America today and are fast becoming favorites overseas, having toured England, Norway, and Sweden. The recipients of two Grammy and countless Dove awards, their latest single release "Rhythm Guitar" is currently riding high on the charts.

MAC DAVIS, ED MCMAHON TO MGM GRAND

Mac Davis and Ed McMahon, two of the entertainment world's most engaging personalities will co-star in the M G M Grand Hotel's main show room Aug. 27 - Sept. 9.

"The Song Painter" serves as both a calling card and artistic description for Mac Davis. In combination as performer and song writer, he is one of pop music's most prolific hitmakers. As if million selling records are not enough, Mac's highly rated television series launched him on a hugely successful round of concert, state fair and nightclub appearances.

Ed McMahon has already shown, in a

previous highly successful Las Vegas main room engagement, that he is not only a celebrity but a talented entertainer as well.

Needless to say, anyone who wants to see the Tonight Show's "second" star in person will not be disappointed. As a natural showman McMahon communicates easily with the audience who never fail to respond enthusiastically to his repertoire of comedy and song.

Two time Grammy Award winning Mac Davis and the engaging Ed McMahon will appear at the MGM Grand for two weeks only. Dean Martin opens Sept. 10 for a brief one week stint.
