MITZI'S ON HER WAY!!.....The incomparable musical comedy queen MITZI GAYNOR opens October 17 at the Tropicana Tiffany Theater (with the current production show "Folies Bergere" being shuttered for a special hiatus). Miss Gaynor who, in recent years, has limited her Vegas playdates to just one a year, will be winding her current 1975 road tour which started in Vancouver in May, with her Tropicana engagement. Mitzi's engagement will also be the first time in Las Vegas history that a hotel has closed out a spectacular (like "Folies") to play a name star attraction. Mitzi opened the now-Tiffany Theater when it was the Superstar Theater for then-entertainment director ALAN LEE. As always, Mitzi's appearance is one of the Strip's most long awaited and year after glorious year, la Gaynor keeps topping herself with the best production revues in the business. **DON'T MISS HER**.....
