

SUICIDE PREVENTION

The semi-annual Suicide Prevention training program for new volunteers will be held again in October. The sessions will be held evenings Monday, October 6; Tuesday, October 7; Wednesday, October 8; Thursday, October 9;

Monday, October 13; and Tuesday, October 14, 1975.

The training program is being conducted by Suicide Prevention Center - a local nonprofit organization composed of only volunteers and dedicated to maintaining a 24 hour telephone service for persons in suicidal crisis.

The sessions will consist of specific instructions, educational material, phone demonstration and techniques.

The volunteer work is done on your phone, in your own home allowing you to set your schedule for receiving calls at a time that will not interfere with other responsibilities.

For more information on the training program and this 5 year old organization committed to helping others call 736-HELP (4357) and ask for Ernest.
