GLITTER GOSSIP.....More than twenty five principals,

JERRY LEWIS, ABBE LANE AT SAHARA

Madcap comedian Jerry Lewis and vivacious singing star Abbe Lane have taken over the center stage at Del Webb's Hotel Sahara for a special one-week engagement. At his absolute best in the intimate confines of the Sahara Congo Room, Lewis is fresher and zanier than ever before as he gallops through a non-stop hour of shenanigans and songs. A wisecracking quipster and purveyor of confusion, Lewis' wacky skills lean toward slapstick, while his creative genius is displayed in the open-end audience participation section of his show. Abbe Lane, on the other hand, is a dazzling beauty whose explosive singing and dancing have cata-

pulted her to International stardom. One of those rare performers who has been gifted with multi-talents, Abbe literally sets audiences afire from the moment she steps on stage. Her rise to the top of the supper-club circuit was swift and sure as the public and critics alike were magnetized by her fiery talents and general good looks. Rounding out the Sahara entertainment line-up are the long-running nude revue, Pinups, and Lemon Tree in the Casbar Theatre Lounge and Terry James in Don The Beachcomber. Lewis will continue to headline at the Sahara through October 22, but Miss Lane will give way to Teresa Brewer beginning October 16.

The current attraction, "Folies Bergere" will be on vacation while La Gaynor headlines in her annual blockbuster....."IMAGO" is the latest craze round town and getting bigger every week. IMAGO is the cold plaster casting being done at the MGM Beauty Salon (in the Arcade) by **JIM CLARK** and his associates. A thumb, a hand, a face, an entire head, or a head and bust, or even an entire body can be cast in plaster by Imago. People who have seen the celebrity masks in the MGM's Hall of Fame have been asking how it was done and if anyone could have a mask done. Imago is doing just that.....**ABBE LANE DOES THE CHA CHA CHA AT THE SAHARA**, one week only Oct. 9-15.....**NORMA & LARRY STORCH** were the hostess and host at another of their Mexican fiesta get-togethers after Larry's second show at
