

HADASSAH BINGO PARTY MON., NOV. 17

By Thelma Klegman

The Las Vegas Chapter of Hadassah will hold its annual "Count Down on Cancer" Nite of Games on Monday night, November 17th at the Convention Center - Rooms 1 - 4. Doors open at 7:00 P.M. Admission \$2.00 for 20 professionally called games starting at 8:30 P.M. Valuable prizes including a \$500 cash prize will be awarded. Tickets may be purchased at the door.

Chairlady for this affair is Alberta Stern. Her committee includes: Rose Borenstein - tickets; Myrna Segil - admissions; Blanche Stein, Elaine Lewis and Emma Weidenfeld - coordinators; Ruth Fishman and Rene Schreiber - equipment; and Thelma Klegman - publicity.

One of the most important events in Israel this year is the rededication; the reopening of the Mt. Scopus Hospital. The Hadassah Medical Organization, under its Director-General,

Dr. Kalman J. Mann, will be operating two university hospitals -- one at Ein Karem and the other at Mt. Scopus. Dr. Uri Khassis is Director - designate of the hospital on Mount Scopus.

Caring for people of all faiths -- in good times and in bad -- in peace and war -- with one high standard for all, the Hadassah Medical Organization has had an international reputation for its medical and humanitarian work. The American women of Hadassah have made a contribution to peace and good will of which all America should be proud.

Hadassah's responsibilities, the sole support of these hospitals, are consequently doubled. The Las Vegas Chapter of Hadassah urges the community to turn out in full support of this outstanding event.

(ED. NOTE: It's a good cause and a great chance to pick up some extra cash. Try to make it. J.T.)
