

WILDEST CASH GIVEAWAY STARTS NOV. 30 AT DEL WEBB'S SAHARA

The wildest cash giveaway in Las Vegas history gets underway November 30 at Del Webb's Hotel Sahara. A total cash payout in excess of \$150,000 to more than 8,000 winners is anticipated during the anniversary celebration which runs through Christmas Eve.

The 25-day promotion, the oldest and most famous of all Las Vegas cash giveaways, will produce 24 winners in the world-famous \$100,000 Shower of Money, nearly 400 winners in the riotous Golden Super Slots and more than 200 winners in Super Keno.

The Sahara has lowered its room rates during the Celebration to \$16 plus tax in the Sunday through Thursday period and only \$22 on Friday and Saturday and expects record crowds.

Special events are scheduled for houseguests only including two cash drawings each day, a free cocktail party each day and special prizes including a fabulous Hawaiian vacation at Del Webb's Kullima

via Western Airlines plus \$1,000 in spending money. In addition, the Sahara will add \$100 to the winnings of every houseguest in the \$100,000 Shower of Money.

A \$5,000 cash grand prize will cap off the Celebration on December 24.

The most spectacular event will be the \$100,000 Shower of Money, an attraction seen on such national TV shows as "Concentration," and "Hollywood Squares." Each evening the Sahara will pour \$100,000 in U.S. currency over the head of a lucky ticket-holder who then is allowed to hand out bills as fast as he can for one minute. The winner keeps all the cash he hands out of the booth. Sahara houseguests earn a bonus of \$100.

The action is fast and furious throughout the entire 25-day celebration and winning is as easy as signing a name and address on the thousands of drawing tickets which will be given out free.

The Super Sahara Celebration is an annual event at Hotel Sahara.

SEN. CANNON CONDEMNS ANTI-ZIONIST RESOLUTION

Sen. Howard Cannon co-sponsored a resolution condemning U.N. General Assembly action in branding Zionism as a form of racism. The resolution also called for Congressional hearings to reassess U.S. participation in the U.N. General Assembly.

"The action by the U.N. General Assembly against Zionism brings the United Nations to a point of encouraging anti-Semitism, one of the oldest and most virulent forms of racism known to human history," said the senator.

He said the United

States, as a founder of the United Nations, has a fundamental interest in promoting the purposes and principles for which that organization was created. "Article 1 of the U.N. charter states that a purpose of the U.N. includes the achievement of international cooperation in solving problems of an economic, social, cultural or humanitarian character. It further says it shall promote and encourage respect for human rights and for fundamental freedoms for all, without distinction as to race, sex, language, or religion."

Cannon said the General Assembly on December 10, 1973, agreed to begin a

decade of action to combat racism and racial discrimination.

The senator said Zionism is widely considered to be the movement to create a homeland for the Jewish people in Israel. "Such condemning action by the U.N. General Assembly cannot be tolerated."

The Senate resolution was passed by the full Senate.
