SUPER SAHARA CELEBRATION TIME AGAIN

It's Super Sahara Celebration time again on the Las Vegas Strip!

More than 11,000 cash prizes are being given away in 25 days as Del Webb's Hotel Sahara celebrates its 23rd anniversary with the wildest, craziest cash giveaway in Las Vegas

history.

Headlining the event is a Super Grand Prize Drawing for \$5,000.00 but that's just a fraction of the total amount which will be divvied up in twice-hourly drawings, special games and \$100,000 showers, and \$100,000 "showers." The

Grand Prize drawing will be held at 6 p.m. on Wednesday, December 24, to conclude the anniversary celebration. If the winner is present at the drawing, he or she will receive \$5,000 in crisp greenbacks. If not present, the winner will still receive a check for \$2,000 -- an exciting surprise in anyone's Christmas mail.

Another top attraction -- always the most exciting event on the Celebration schedule for both contestants and spectators -- is the \$100,000 Shower of Money, held every night at 10 p.m.

Other Super Sahara Celebration activities center around the Sahara's generous slot machines, which are more generous than ever around Celebration time. Keno, blackjack, poker, Big 6 and Roulette.

ICE FOLLIES OPENS AT SAHARA SPACE CENTER

Shipstads and Johnson's Ice Follies opens a spectacular 11-day Las Vegas holiday engagement December 10 at Del Webb's Hotel Sahara.

The engagement will mark the debut of the Follies complete arena show in a Las Vegas Strip hotel and for the occasion the Sahara is converting

its entire Space Center convention hall into a gigantic ice rink.

Voted the finest of all Ice Follies shows by critics from coast-to-coast, the 1976 edition features a galaxy of skating greats supported by the enchanting "Ice Follies" chorus.

Stars who will be featured include Wer-

ner Groebli -- the fabulous "Mr. Frick" -- the greatest of all skating comics and inventor of the famed cantilever skating stunt.

Billed as a holiday season entertainment treat, the Ice Follies will be presented in 17 performances during its 11-day stand at the Sahara.
