**ISRAEL NEEDS UNPRECEDENTED FUND-RAISING**

MIAMI BEACH, FLA. (WNS) -- The need for unprecedented fund-raising for Israel in 1976 is not diminished by U.S. government grants of as much as \$2.24 billion.

This view was offered by Frank R. Lautenberg, general chairman of the United Jewish Appeal, in an address to 3000 Jewish communal leaders attending the 44th General Assembly of the Council of Jewish Federations and Welfare Funds. The UJA leader, who declared that Israel desper-

tely needs \$600 millions of UJA funds next year, said that American aid "will not improve Israel's standard of living one bit. Not a penny of the proposed \$2.24 billion is for humanitarian aid or to raise living conditions for the people of Israel.

Seeking to dispel any thoughts that U.S. aid "obviates the

need for Jewish giving," Lautenberg asserted that this "is just as pernicious as the illusion of peace. American aid is military -- security -- related tools to deter aggression -- necessary to keep Israel strong. War planes and missiles can only protect; they cannot create." Only Jewish giving builds life, he added.

JERUSALEM (WNS) -- Defense Minister Shimon Peres' statement to the Knesset that he knows no principle that prevented the right of Jews to settle in the West Bank has encouraged the illegal settlers of the Gush Emunim movement who have squatted on an area in Sebastia in central Samaria.
