GREG GOUSSAK'S AZA IN LAS VEGAS

Did all of you have nice holidays? I certainly hope so!

Now to get down to BBYO and AZA business. Jack Entratter AZA is proud to announce two prospective new members Kenny Lidner and Keith Keplan. We all in Jack Entratter AZA are glad to accept these new members in the fraternal spirit we accept all members. I certainly hope that these new members grow into fully knowledgeable alephs and they also have fun doing it. On December 26 - 29 Mountain Region is having its annual convention. It proves to be one of the best events this programming year.

Las Vegas Council AZA is holding its annual Queen Esther Ball. The date will be March 20, 1976, and will be held in Temple Beth Sholom's Jack Entratter Social Hall. The cost will be \$2.50 for singles and \$4.00 for couples. In the past 3 Queen Esther Balls we had a live band; we are doing this again this

year. We are now contracting with "LIBERTY" to do it again this year. Last year they were a smashing success at our ball and everybody enjoyed them. Tickets go on sale about the 2nd or 3rd week in January. If you would like to be one of the first to get your tickets please call Greg Goussak at 458-3674, after January 3, 1976.

To bring this Queen Esther Ball into the the success column we need support. Each year we put out a Testimonial ad book. This is the way we make money. We can use as much help as you can give us. For more information please call Kenny Goussak at 458-3674 or Stu Berger at 458-3397.

Las Vegas AZA and BBG are both preparing for the regional convention. All 3 chapters can use help in membership. If you are interested, please call 458-3674 or 451-6647 for AZA and 451-9501 for BBG. Until next week, this is Greg Goussak signing off for now.

BONNIE TELL'S ALL ABOUT U.S.Y.

Hi, I'm back from the East Coast and going to tell you about a few of my experiences.

I went to Washington, D.C. and saw the Washington Monument, the Lincoln Memorial, the White House, the Capitol Building, the House of Representatives and the place where all the Country's money is made, but the big hit was my cousin Marty Friedman's Bar Mitzvah in which he did a wonderful job and there was a lovely reception that night at the Holiday Inn in Washington. The meal was strictly kosher and delicious.

Then my family and I took a train to New York City where we saw the Empire State Building, the Statue of Liberty, the Planetarium, and the Museum of Natural

History where we saw the "DINOSAUR." We shopped at New York's famous department stores and even rode the subway.

One day we went to New Jersey where we visited relatives and friends and the houses my parents used to live in during their childhood.

It was a wonderful trip, thanks to my Mom and Dad.

I want to thank Roberta for writing my column last week.

Junior U.S.Y. is not doing much lately since we are not having a meeting until January 5, Monday at 8 P.M.

See you then!
