

# ENTERTAINMENT TRIP AROUND THE WORLD

**DICK MCINNES**

TRIPPING AROUND.....this from the "Pot Calling The Kettle Black OR The Shoe On The Other Foot Department: RONA BARRETT, who has been known to say a few nasties about people, slapped both STEVE TINNEY & BARBARA STERNIG of the National Enquirer at KAYE BALLARD's Studio One opening in Hollywood. Miss Rona's reason? Seems Tinney wrote "Here's an item Rona Barrett won't broadcast: her marriage to William Trowbridge is shaking." Barrett accused Sternig who was once her trusted aide (she did everything for Rona including writing most of her stuff) of putting the item in the paper. Sternig said it wasn't so and just then Tinney walked up and admitted that he had written the item. Barrett slapped him and then turned to Sternig and slapped her.

The offices of LLOYD LEIPZIG at United Artists and BOB GOODFRIED at Paramount have informed me that they must drop us off their screening lists because they must service the bigger newspapers, therefore the absence of United Artists and Paramount reviews. Nothing personal, just big business. So much for public relations... however nothing could stop me from raving about "One Flew Over the Cuckoo's Nest" a United Artists release. It is one of the finest films that I have ever seen. JACK NICHOLSON will win the Oscar and AL PACINO (Dog Day Afternoon) will come in a very close second. But it will be Nicholson's year. He is incredible. LOUISE FLETCHER just might make it

IN RECOGNITION OF HIS SPECIAL EFFORTS ON BEHALF OF FATHER FLANAGAN'S BOYS' HOME, JACKIE GAUGHAN, PRESIDENT OF THE EL CORTEZ HOTEL, WAS RECENTLY NAMED AN HONORARY CITIZEN OF BOYS

TOWN, NEBRASKA. FROM LEFT TO RIGHT ARE BILL RAMSEY, JACKIE GAUGHAN, REV. ROBERT P. HUPP, AND LAS VEGAS ANDY ANDERSON.

the first time two actors from the same picture walked off with Oscar since GABLE & COLBERT in "It Happened One Night." I don't know where she came from but I'm glad she's here. Her performance is perfection and those supporting actors are too much! Each one should be nominated....

I had a rather bad experience with Harrah's Reno last May and I'm happy to report that they did the right thing and I'm most appreciative and it restores my faith in service.

Went with JACK & VICKIE OAKIE to see "Raisin" at the Shubert. VIRGINIA CAPERS repeats her Tony winning role and she is really something else. What a voice! RALPH CARTER (Good Times) was there. He did the boy's part on Broadway. CLIFTON DAVIS, DIANE LADD (she sent pal Virginia a beautiful bouquet of flowers), CHANIN HALE, who was just signed for the BOB HOPE special with LEE GRAHAM, ESTHER ROLLE looking very glamorous, JUDY PACE & DON MITCHELL were among those who went over to the Jade West for an after theater party to welcome the company of "Raisin." A good time was had by all...

DOROTHY LAMOUR has just about signed for a new musical to open in Hawaii called "I Hear Hawaii." I heard the score and it is wonderful.

Today is my father's birthday and if he hadn't been born, then I wouldn't be here so if you don't mind I'll say Happy Birthday, Pop. His name is Hugh McInnes and he lives in Tarentum, Penna. and he's great.
