**ALL ABOUT**  
**U.S.Y.**

Many people write to me asking exactly what is U.S.Y. So I am devoting this column to explain what U.S.Y. stands for and what it means to me.

As for myself, United Synagogue Youth stands unique and alone because its main goals are (1) to help and support the Jewish community and (2) it brings children together religiously and socially.

U.S.Y. has many different levels, the International, the Regional, the Divisional and the Chapter. One thing in common at all levels is the deep devotion to Judaism along with the warmth and interest members have for each other.

Throughout the year there are many week-end conventions, called Kinnusim. Especially during these week-ends, when fellow U.S.Y. members from many communities are bought together, are my

true feelings about our wonderful organization at the height. It is so nice to be among nice people in nice surroundings engaged in nice endeavor. You come away with such a glow.

I urge every parent who may be reading this column to encourage their children to join right now.

For the locals in Las Vegas, the next meeting on February 22nd will be devoted to Junior U.S.Y. membership drive. Later, on March 14 we're having our Annual Purim Carnival. It will be a groovy time. Then comes the T.N.T. Kinus March 26 to 29.

Before closing I remind Board members the next meeting is February 8th.

Join U.S.Y. and all your blues will go bye - bye.

The AZA chapters in Las Vegas have not been up to par as far as I can see for now. The big thing that I am pushing is our 1976 Queen Esther Ball. WE NEED THE HELP OF THE COMMUNITY OR WE ARE NOT GOING TO MAKE IT. We also are now looking for a band, back in December I said we were contracting with the rock band "Liberty." The night of March 20th they can't work, so we are now stuck without a band. If anybody is interested in helping us in our ad book even with a \$5.00 donation please call Greg Goussak at 458-3674 or send your check to 3470 Anthony Drive.

Even if you only put in a \$5.00 ad it will still help us reach our goal which is about \$1,500.00. We are really under that by about \$1,100.00. So come on and help AZA, remember with-

out this money we cannot operate and there is a chance of the chapters folding. Come on and let's see how the Las Vegas Jewish community can support the two chapters in Las Vegas and show the entire order of Aleph Zadik Aleph which covers 5 continents that you really care and want to help us out when we need it.

The date of the Queen Esther Ball is March 20, 1976, and as of now it is in the Jack Entratter Social hall. The tickets will be out within a week or two and will probably run \$3.50 a single and \$5.00 a couple. We also would like to see 250 people show up for this event. We will have a live band which will play all kinds of music for all ages that range from 15 - 70.
