## AZA IN LAS VEGAS

Las Vegas AZA right now is in the planning stages, they are working very hard on membership, programming, and leadership training. Some of their future ideas are possible mock meetings where different members take the rolls of Godol (president) and S'gan (vice-president). This way is an effective way of teaching members on how to do these difficult jobs, and also helps in letting them see for themselves if they really want to run for office in the up-coming election on February 18th. Installation with Jack Entratter AZA will be held on March 14th at a local hotel. Jack Entratter AZA has a full line of events for the rest of this term. Recently they went Go-Cart riding which was a lot of fun. We have a new members' workshop coming up with advertising as a chapter and a tour of city hall. Our elections are also on February 18th and as I said above we are having installations with Las

Vegas AZA. If anybody is interested in either of the AZA chapters you can call Steve Samberg at 451-9501 for Las Vegas AZA or Harmon Kirsh at 451-6647 for Jack Entratter AZA. The 1976 Queen Esther Purim Ball is coming along beautifully. Members of the community in Las Vegas are really buying these ads and they are for a very good cause. If you are interested and nobody has come in to your shop please don't stop that from helping us. All you have to do is pick up your phone and dial 458-3674 and say you want to help. Tickets will go on sale very shortly and we also would like to see a great turn-out there. The cost will be \$5.00 a couple and \$3.50 a single. Those aren't too bad prices of admission. I expect about 150 - 200 people from the community to come. I've got to close now saying one thing. "WE NEED YOU NOW."
