LAS VEGAS ISRAELITE  
**ISRAEL IS NO "MELTING POT"**

NEW YORK (WNS) -- The concept of the "melting pot" is not appropriate as a goal for integrating the Jews who came from more than 100 countries to Israel, according to Aharon Yadlin, Israel's Minister of Education.

He told a press conference at the office of the National Council of Jewish Women that a synthesis of the many cultures brought to Israel was essential but said Israel does not have the American problem of racial integration. "Our problem is fundamentally one of bringing up to modern standards

of knowledge and competence the children from the Oriental countries, whose families are far behind those from the Western countries," he said.

Yadlin is in the U.S. for a series of colloquia with educational experts as the Graduate School of Education at Harvard University; Columbia University's Teachers College; the Education Department and Center for Policy Study at the University of Chicago, and the University of California at Los Angeles' Graduate School of Education. The colloquia was organized by the NCJW.

**YOU HAVE ONLY 3 CHOICES**

A good mechanic  
 A bad mechanic  
 Or no mechanic at all

And with watches, it's no different than with cars.

Our WYLER watches come from Switzerland where they believe in built-in quality. Not flash, not gimmicks. Just constant quality performance.

But if your WYLER ever needs servicing, you've got the best mechanic in town. We are recognized watch professionals—and all the genuine WYLER parts are right here.

So don't get taken. Like a fine car, a fine watch must come from a reliable dealer, who will give you honest value. Like cars, WYLERs come in a choice of models starting at only 39.95. All with written guarantees—the factory's and our own. As a matter of fact, we wear WYLER watches ourselves.
