The chances that you will be audited by the Internal Revenue Service can depend a great deal on where you live according to a study released by The Freedom Journal, published nationally by The Church of Scientology. Using IRS documents and computer records obtained under the Freedom of Information Act, Freedom's editors uncovered figures showing that some taxpayers face more than five times the risk of being audited than others simply because of their geographic location. One out of every 18 Nevada taxpayers are audited, a figure second in the nation only to Texas. AZA
IN
LAS VEGAS

Well, it finally arrived. The 1976 Mountain Region AZA conclave A Past To Remember A Future to Mold. With several members of Jack Entratter AZA running for Regional office. I will announce who they are and how they did in my next article.

Las Vegas AZA held its first event of the term last weekend. Although it wasn't the most successful event at least they are trying. I would like to suggest to them to keep up the good work, keep on trying and I'm always behind them 100% and more.

Jack Entratter AZA has recently voted to give another \$50.00 to the International Service Fund (ISF). At the convention back in December we have \$150.00 so this will bring our total to a whopping \$200.00 or more. They have many, many events on the books for May. They are trying to set up a basket-ball-athon for the March of Dimes. This should take place on May 8th at the Temple Gym, anyone can pledge .05¢ or more an hour if you are interested

in helping. Just contact any Jack Entratter AZA member or call 458-3674. Many socials on the books along with a discussion with Cantor Kohn about our Culture and to set up an event. So if any young men are interested in a fantastic time call 458-3674 Ken Goussak or Godol.

All 3 chapters will be involved in a special trip to many many places in California during a weekend this summer. They are planning to go to Magic Mountain, Disneyland, possibly the beach or Universal Studios. The cost will be very, very minimal to our members.

If you are interested all you have to do is join a chapter. So come on down or give us a call. The names of the 3 presidents are Ken Goussak 458-3674, Entratter AZA; Marc Kline, 735-3700 Vegas AZA; and Janet Cohen, Vegas BBG 735-4492. CALL IF YOU ARE INTERESTED AT ALL IN ONE OF THESE ORGANIZATIONS NOW!!!

BONNIE TELL'S ALL ABOUT U.S.Y.

Last week-end Temple Beth Sholom took a group of youngsters on a mountain trip. It was for 8th graders and above, so many U.S.Y.ers went. Those from United Synagogue Youth were Neil Friedman, Andy Katz, Leah Levinson, Lorie Resnick, Danny Gelbart, Billy Mason, Jill Bass, Cindy Abramson, Sheryl Chenin, Lori Chenin Bonnie Tell.

It was an overnighter at Foxdale Camp. We had services outdoors and took long hikes. It was a lot of fun and we can't wait until the next one comes up.

Far West Regional Convention will take place May 27-30 at

Camp Ramah in Ojai, California. That is my favorite convention. Not only does everyone have a great time, but I meet lots of everlasting friends from Western United States.

Well, our U.S.Y. chapter in Las Vegas is going to attempt another car wash and this one should be successful. All the details of when and where will be in next week's column.

Here's a thought for the week. If you see someone without a smile, give them one of yours.
