

CENTURY WEST'S I-FAMILY HOMES. "GRACIOUS LIVING"

Century West, located at Spring Mountain and El Camino, is proud to present Plan 4 of the single family home complex offering a two story "gracious living" design.

This particular four bedroom includes the

Las Vegas Suite, designed to give privacy to adults with its own master bedroom, dressing room, closet space, vanity and full bath, all separate from the balance of sleeping quarters located on the second floor, plus

a second bath. The first floor consists of a large family / dining room, spacious kitchen with a walk-in pantry. A large enclosed two-car garage with an entry from the house offers protection from the elements during windy and inclement weather.

Foremost in the mind of Century Community Developers, one of the top ten percent outstanding home builders in the nation, was to build Century West to conform to the unique Las Vegas "life style" and also serve the national and individual need for energy conservation while maintaining the ultimate in comfort.

The special energy saving extras built into your Century West home include: White, heat reflecting roofs; heat reflecting exterior colors; reflective film on all windows with five-year guarantee; optimum insulation in walls and ceilings; complete exterior door weather stripping; zoned air conditioning and balanced power, all incorporated to provide you with maximum living comfort with the least amount of expense.

Century West's location is Las Vegas' newest and most desirable area. Its easy accessibility to the Strip, downtown and the I-15 Freeway is an additional advantage to residents of the Century West homeowners. Close proximity to elementary and high schools, plus shopping centers

also add to the desirability of the location.

The Century West homes consist of four floor plans and twelve elevations (3 each) with prices starting at \$38,500 with the extra large two-story four plan priced at \$49,500.

Sales offices and furnished models are open daily from 10 a.m. to dusk for convenience and viewing by the public.
