

**HOWARD RUSK TO ADDRESS HADASSAH DEDICATION IN ISRAEL JUNE 12 TO 28**

H.A. RUSK

Visitors from the U.S. and Europe are expected in Jerusalem for the two-week Dedication - Conference of the Daniel and Florence Guggenheim Rehabilitation Pavilion at the Hadassah University Hospital, Mount Scopus and of the Siegfried and Irma Ullmann Building for Cancer and Allied Diseases on the campus of the Hadassah - Hebrew University Medical Center in Ein Karem.

Dr. Howard Rusk, world authority in rehabilitation medicine will be the major speaker on June 15 at the Rehabilitation Pavilion, which has been built at a cost of seven million dollars, as part of the newly reopened Mount Scopus hospital. Axel Springer, the publisher, whose foundation has made a contribution to the center, will come from West Berlin.

Faye L. Schenk, Hadassah Medical Organization chairman says, "It was because of the recognition of the importance of rehabilitation in modern society that Hadassah decided to allocate the entire eastern wing of the revived hospital on Mount Scopus to the Guggenheim Rehabilitation Pavilion, with 49 beds for in-patients, 12 beds for intensive care, a gymnasium with a glorious view of the Dead Sea, a therapeutic pool, 'quiet' workrooms, 'noisy' workrooms, treatment rooms with the most sophisticated equipment for ultrasonic and short-wave treatment and electrotherapy. Cardiac patients can be followed on cardiac evaluation equipment, including telemetry, which enables the heart activity to be measured from afar over long periods of time. Special respiratory evaluation and diagnosis are available. A private park allows the patients to relax or participate in organized sport activities, while those who need it, are being monitored from the building.

"The beds that formerly served the Department in the Hadassah - Hebrew University Medi-

cal Center at Ein Karem will be given to other medical departments. The big out-patient clinic will continue its activities at Ein Karem and a smaller out-patient clinic on Mount Scopus will mainly serve for follow-up of patients previously hospitalized.

The Department will have a staff of 10 physicians, 19 physiotherapists, 15 occupational therapists, clinical and vocational psychologists, social workers and a sports trainer.

The Siegfried and Irma Ullmann Building for Cancer and Allied Diseases will be dedicated on Sunday, June 27. This will be the largest such facility between Paris and Tokyo. There will be a two-day "International Symposium on Malignant Neoplastic Diseases," June 28 and 29, under the joint auspices of the Israel Academy of Sciences and Humanities, the Hadassah Medical Organization and the Hebrew University - Hadassah Medical School; and a seminar on June 26 for laymen on the tour, "Cancer Can Be Cured," organized by Professor G. Izak. (Editors note: a full story on the Ullmann Cancer Building to come.)

The tour will include sightseeing throughout Israel, addresses by Golda Meir, Prime Minister Yitzhak Rabin, and receptions by Mrs. Rabin, Jerusalem Mayor Teddy Kollek and Moshe Kol, Minister of Tourism.

Hadassah tours are booked exclusively into 5 and 4 star hotels, use air-conditioned busses, and trained guides who have worked closely with its Tourism Department, which was organized in 1948.

NEW YORK -- The Honorable Andre Tschiffel, official representative of the Red Cross activities in the Middle East, expressed his hope that official recognition would be accorded the Magen David Adom Society of Israel and its official symbol, the Red Star of David, by the International Red Cross at its upcoming Conference in Geneva.

The Hadassah Double Dedication Tour during which two major facilities -- the largest of their kind in the Middle East -- will be dedicated, has been changed from June 13-29 to June 12-28, Rose E. Matzkin, president of Hadassah announced.

**Today there is a new MOMENT**

**The Magazine for America's Jews founded by LEONARD FEIN and ELIE WIESEL**

Nearly 40 years ago one of the leading voices of world Jewry—*Der Moment*, published in Warsaw—was silenced by the Holocaust.

Today there is a new *Moment*—a new magazine for America's Jews that takes a fresh and compelling look at the full dimensions of the Jewish experience. *Moment* is a bridge connecting the Jewish past and the Jewish future; a source of vital information in these times of exploding headlines; a celebration of our Jewish heritage. Its purpose is to inform, to provoke, to inspire, to chart a new path.

*Moment* is committed to excellence. Each issue is a showcase for the talents of some of the world's foremost writers including: Irving Howe... Garry Wills... Paul Cowan... Amon Elon... Leon Jick... Kenneth Arrow... Calvin Trillin... Arthur Hertzberg... Cynthia Ozick... Shlomo Avineri... Drew Middleton.

The following topics from the early issues best describe the scope and intent of this proud new chronicle of Jewish life and thought:

- If Reform is a verb, what is Conservative?
- Jews and Blacks: what next?
- Mixed Marriage: Henry Jackson and the Jews
- If America's umbrella fails, can Israel weather the storm?
- Beyond the orgy: Bar and Bat Mitzvah reexamined
- Brandeis: a Jewish University?
- Women's liberation and the Jewish mother
- Los Angeles: the new center of American Jewish life?
- Federations and synagogues: the growing tension
- Plus regular features by Leonard Fein and Elie Wiesel... new ideas and comments by the authors of *The Jewish Catalog*... probing reviews on Jewish public affairs in America and Israel... poetry and fiction... literary and film criticism... translations of Yiddish and Hebrew classics... penetrating reportage... and reports on important Jewish works in advance of their general publication.

*Moment* is a magazine of graphic beauty and distinction, a contemporary magazine that is proudly independent—editorially and organizationally. *Moment* is designed especially for American Jews today... a magazine that is uniquely of and for this moment.
