

OF THE STARS

Joey in action at New York's Latin Quarters. Frank asked Bishop to join his act at the Riviera in Ft. Lee, N.J. Bishop did and stardom was just around the corner.

Aside from the club dates, motion pictures and television appearances, Joey also has gained many, many more fans hosting the "Tonight Show" during Johnny

Carson's absence. New York born Miss Lane has long captured audiences with her outstanding looks, great voice and dazzling dance numbers. Abbe got her first break as a clubsinger with band leader Xavier Cugat and his band when she was only 16 years old. She and Cugat were married two years later and divorced in 1964.

Considered to be

one of the best-dressed women in show business, Miss Lane has come up with the winning recipe for success.

"I always think of my audience and my main concern is to make each show better than the one before."

The Bishop - Lane show will be featured twice nightly. Dinner show begins at 8 with seating for the midnight cocktail show starting at 11:15 p.m.

Rounding out the Sahara entertainment in the Casbar Lounge are famed vocalist Jimmy Rodgers, the long-running nude revue, Pinups and singer Terry James.
