Dear Mike (Tell):

It was good seeing and chatting with you this past month on the flight to Reno. This letter comes pursuant to your request for information on my voting record vis a vis Israel.

I have strongly supported aid to Israel in the past and will continue to do so in the future.

Last March I successfully opposed efforts to delete \$200 million from a \$1.5 billion arms credits package for Israel. With my support the \$1.5 billion in appropriations were ultimately approved. Also last March I supported \$1.6 billion in military aid for Israel.

Last year I co-sponsored the resolution condemning the United Nations for their efforts to equate "zionism" with "racism." I also supported U.S. participation in the Sinai accord, which provided over \$3 billion in military and economic aid to Israel.

I also co-sponsored legislation giving Israel F-15 fighter planes, electronic countermeasures, and other sophisticated weapons necessary to insure the continued military viability of Israel.

I am quite proud of my voting record and positions taken in favor of Israel. If I can be of any further assistance to you, Mike, please do let me know.

Sincerely,

JAMES D. SANTINI  
Member of Congress
