DICK MCINNES

TRIPPING AROUND.....BETTE DAVIS will play ANN-MARGRET's mother in the NBC-TV-movie, "Aimee." This is the second time around for this duo. Davis also played Ann's mom in "Pocketful of Miracles".....BOB FOSSE has pulled a number out of "Chicago" and is doing a whole movie out of it. Well at least the title, "All That Jazz".....MGM and Universal are planning jointly to do a sequel to "Gone With the Wind" and say they are definitely not going for GABLE and LEIGH look - alikes for Rhett Butler and Scarlett O'Hara. Shall we start the guessing game now?....It would help if they had a producer like DAVID SELZNICK to mastermind but those kind seem to be gone with the wind forever...LEE GRANT received a film grant from the American Film Institute and will direct her first film, Strindberg's "The Stronger." Director 'Grant has set SUSAN STRASBERG & DOLORES DORN-HEFT to star in the film.....JACQUELINE BISSET will joint ANTHONY QUINN, JENNIFER O'NEILL & IRENE PAPAS in "The Greek Tycoon." The producers are saying that it is not based on the relationship between the late ARISTOTLE AND JACKIE KENNEDY but JACKIE herself was offered the starring role which she quickly turned down and the plotline is about the widow of a U.S. Senator who marries a Greek shipping magnate and lives with her two children (by the Senator) with her new husband on a Greek island. No similarity, huh?.....MARY KAY PLACE

GINGER ROGERS, WHO IS OVERWHELMING PACKED AUDIENCES AT THE DESERT INN WITH FAMILIAR HIT TUNES SHE SANG IN BROADWAY SHOWS AND 73 FILMS, CAPTURES RAPTURES OF ADMIRATION WITH DEFT DANCE NUMBERS AND A FIGURE THAT HAS NO BROTHER. NIPSEY RUSSELL IS CO-HEAD-LINER IN THE SHOW THROUGH JUNE 28.

(Marv Hartman, Marv Hartman's Loretta, has been set to join LIZA MINELLI & ROBERT DE NIRO in "New York, New York." She can't seem to escape those double titles, can she? can she?....ADRIENNE BARBEAU who got her feet wet in the TV-movie biz by landing a role in "The Great Houdini" is now "Giving Birth." That's the title of her second fling in movies. "Birth" also stars VICKI LAWRENCE, KAREN VALENTINE & JESSICA WALTERS and deals with the Lamaze method of childbirth...THE SWEATHOGS from "Welcome Back, Kotter" will have their own Christmas special, called strangely enough, "The Sweathogs at Christmas." Wonder if that includes JOHN TRAVOLTA? Rumor has it that he refuses to ap-

FORMER LEBANESE PRES. RAPS PLO AT UN

UNITED NATIONS (WUP) -- Charles Helou, President of Lebanon during the years 1964 - 1970, declared that the blame for the current tragedy of his country must be placed on "external" elements including the PLO which he termed as "an insurrectionist" force.

proportions," he stated, "it clearly appears that Lebanon is serving as a battleground to all the conflicts born in the Middle East and in the world at large out of the Arab - Israel conflict and of its inter-Arab and international ramifications."

Appearing at a press conference with UN correspondents, Mr. Helou expressed deep pessimism as to the outcome of the conflict. "When the internal motives are reduced to their just

Then, with an obvious reference to the PLO, he said that "one of the consequences of this conflict is the presence in Lebanon of several hundred thousand Palestinians, amongst whom there are ten of thousands carrying weapons,

appear with the other Sweathogs other than on the Kotter show.

MOVIE TRIPPING.....20th Century Fox has a blockbuster in "The Omen" starring GREGORY PECK, LEE REMICK, BILLIE WHITE-LAW & DAVID WARNER. It's on the order of "The Exorcist" but can still stand on its own merits. It is a SCARY movie and if that's your cup of tea, you'll love it. Don't want to tip you off to the plot because the ad campaign that 20th is waging is really good but I will tell you that little HARVEY STEPHENS as Peck and Remick's son is truly a little devil and he is just as chilling as PATTY McCORMICK was in "The Bad Seed".....On the other side of the coin is "Food for the Gods" which is unfortunately being released by AIP. Based on parts of an H.F. WELLS Classic this film hits the pits in taste and special effects. It must have seemed like a good idea to be able to get IDA LUPINO to do a role in it but what's good on paper doesn't always work out. RALPH MEEKER is so embarrassingly bad that you can't believe it and PAMELA FRANKLIN is stuck with some of the worst dialogue in movie history. MAR-JOE GORTNER who has been showing a lot of promise will really have to pray to get past this turkey.

If you're going to have a turkey this week, make it one you can cook.
