

ISRAELI RAID
(Continued from Page 1)

hijackers and herding the hostages into the planes. Then they proceeded to destroy about 20 Ugandan military planes, including 11 Soviet-built MIG 17's and 21's, to forestall pursuit. It was a brilliant tactic, successfully executed to liberate innocent victims. When the planes landed in Tel Aviv, Israelis danced in the streets, waved blue and white Israeli flags and blew ram's horns in a nationwide outburst of joy over the dramatic rescue.

A diplomatic aftermath of this raid will be a probable condemnation against Israel for violating the sovereignty of Uganda. Bull---! If we see a grand daughter being dragged into a house and about to be raped, you can bet your life we will violate the sanctity of the home as a castle and do everything in our power to rescue the child, even if we have to kill the bum in the process.

HADASSAH RAPS JEWS WHO RAP ISRAEL

NEW YORK (WNS) -- "Jewish personalities who have taken it upon themselves to publicly criticize certain policies of the State of Israel at this critical juncture" were strongly attacked by Rose E. Matzkin, the president of Hadassah at a press conference just prior to the official housewarming of the organization's new national headquarters, Hadassah House. "Their statements are being picked up and exploited by organized dissidents within the Jewish community as well as by members of Congress and the Administration who would like to decrease various types of aid to Israel," she said. Mrs. Matzkin said that American Jews have numerous vital obligations to-

ward Israel such as in education, health, welfare and land reclamation. "Not amongst these is the right to dictate foreign policy or domestic stances to the government and people of Israel," she declared. "That has been and should continue to remain the sovereign duty of the State's citizenry."

Mrs. Matzkin also condemned the World Health Organization with which Hadassah is affiliated, for becoming politicized and noted that health conditions have improved for the Arabs in the West Bank and the Gaza Strip, since 1967.

Mary Beame, the wife of Mayor Abraham Beame, joined Mrs. Matzkin in a ceremony affixing the mezuzah to the entrance of the new Hadassah building.

Still the most meaningful program in town . . .
