GREG GOUSSAK'S

AZA
IN
LAS VEGAS

BY KEN GOUSSAK

As the summer months go on BBYO is doing amazing things, considering the summer months are the slowest, and the hardest for AZA'ERS and BBG'ERS over four of the five continents in the world.

Vegas AZA: is starting on their way out of the summer months slump. They have talked about meeting Krone AZA (of Phoenix, Arizona) for a weekend at the end of August or during a 3-day weekend after the school year has started. They are also beginning planning of the Vegas AZA annual bingo night.

Entratter AZA is really working on raising money for the chapter until the next Queen Esther ball in March '77. The fundraisers to be held are a car wash August 8, and a Banana-thon (date unknown), August 13-15 is the second annual Kentratter weekend in which Entratter AZA of Las Vegas is going to Phoenix, for a fun-packed weekend along with a community service, a cultural, and Religious services in the list of events.

Las Vegas BBG is still trying to put some of the final details on their annual fashion show. They did some-

thing last week which I left out of the article by accident. They piled a bunch of people in a car and went to Sunrise hospital where they entertained most of the kids in the children's ward.

Paradise Valley BBG: this is a first for Paradise BBG in the article, but at the council meeting I was told to write about the newly formed chapter, or else. PV BBG is doing very well for a newly-formed chapter...A list of events in which PV BBG had include a swim party, banner making party, a sleep-over where Karen Levitt (regional S'ganit) and Sherry Samberg (regional Morah) attended and held Member in training workshops. To raise big money PV BBG is in the process of planning a raffle.

Vegas Council has planned a Havdallah service and discussion with Rabbi Shnairson. And one is being planned with Rabbi Weisberg. Council is also planning a car wash and ad book to raise money for the 1976 convention fund.
