RUSSIA'S 3-POINT MIDEAST PEACE

UNITED NATIONS (WUP) -- The Soviet Mission to the UN, citing an editorial in Pravda in their review of the USSR press releases here, presented a three-point plan for what they termed "a reliable peace for the Middle East."

The plan, completely exempting the Arabs from making any whatsoever concessions to the Jewish State, urges that "the foundation of a settlement must consist of three organically - interconnected elements: 1. the withdrawal of Israeli troops from all the Arab territories occupied in 1967; 2. the satisfaction of the legitimate national demands of the Arab people in Palestine, including their inalienable right to the national state, and 3. international guarantees for the security and the inviolability of

the frontiers of all the states in the Middle East and their right to independent existence and development."

The plan, calling for the resumption of the Geneva Conference, precedes with a castigation of Israel and her supporters.

"Responsibility for

the abnormal situation in the Mideast," it notes, "goes primarily to those Imperialist powers which try to dominate in the Middle East and control its natural riches, oil, in the first place. These forces support the expansionist police of the ruling quarters of Israel..."

I did it... So can you!

IN ONLY 5 WEEKS

After many years playing Keno, Roulette and other games and getting no results, I decided that all games require some sort of system. So I tried them all, and then I came up with a system that I thought would work.

IT WORKS!

After just five short weeks and only \$100.00 left in my pocket, I proved to myself (and to some astonished casino operators) that this system really does work!
