This is my last article to you. My brother is returning on August 23 in time for next week's column. He will be writing this article from then on just like it was before he left.

Las Vegas BBYO has a car wash planned for September 5. All of the money raised at this wash will be put towards lowering the price of this year's regional convention. Your support will be deeply appreciated. The car wash will be held at the Texaco station on the corner of DI and Maryland. The council had an Oneg Shabot at Rabbi Shnairson's house. A similar service will possibly be held at the other Rabbi's house in the near future.

Entratter AZA is starting to look for new members. We have been looking for members as far back as 6 months ago, but now is the time when we really have to start registering new members to make up for the ones who lost interest and dropped out during the last year. For events the rest of the term is rather slow, and what events we have are usually planned 1 or 2 days in advance, the things on the calendar which are important are Decla-

ration of Intent to be held on September 1, State of the Chapter and elections to be held on September 8. For information on joining this chapter please contact Mike Novick at 451-1272. JoinNOW.

Las Vegas BBG is looking for members also. Their annual fashion show was held at the DI Country Club on August 25.

Paradise BBG has yet to give me a report on their activities but as for their part I know they are looking for members and monies to support themselves. For information on joining either BBG chapter please contact Janet Cohen 735-4492 for Vegas BBG, and Lisa Mades 736-7544 for PV BBG.

Vegas AZA is looking for a turn around at elections. They are hoping they can put a good man in the president's chair who will fix up the chapters membership and programming. But until then they still have to deal with the summer and how slow everything gets during those few summer months. Everyone expects a big change to happen in the Fall.

This article has been a good experience to me. I hope you enjoyed reading it as much as I enjoyed writing it.
