

**New Year Message**

Bernice S. Tannenbaum  
Natl. Pres. Hadassah, Women's ZOA

Upon graduation from medical school in Israel, the doctor takes the "Oath of the Hebrew Physician," which states: "You shall help the sick, base or honorable stranger or alien or citizen, because he is sick. And you shall seek to fathom the soul of the sick, to restore his spirit, through understanding and compassion."

Hadassah's motto - taken from Ezekiel -- is "The Healing of the Daughter of My People," meaning in the broadest sense a physical and spiritual healing of the individual, the nation, and of mankind.

It is in this spirit that the Hadassah Medical Organization in Israel provides medical assistance to its beleaguered neighbors in Lebanon, and through Hadassah's Arab-language radio programs beamed to the surrounding countries has drawn patients from Egypt, Syria, Jordan, Iraq and Kuwait to the Hadassah Hospital in Jerusalem for treatment.

It is in this spirit that Hadassah has cooperated with the United Nations Work Relief Administration (UNWRA) in providing life-saving sophisticated medical care -- open-heart

surgery, dialysis, transplants -- to Palestinians. It is our hope that those patients benefiting from Israel's humane "Open Bridges" and "Open Fences" policy will return to their own people as messengers of peace and goodwill. May the year 5736 usher in a new era where people, will seek harmony, and where differences

-- if they must exist -- will be dealt with through healing exchange instead of exchange of bullets. This is our prescription for the New Year.

WASHINGTON -- B'nai B'rith has been granted Federal approval to construct two more senior citizens housing complexes in Houston and Peoria, Ill.

**TWA Getaway Israel**  
A chance to return to where the world began.  
Ask a travel agent about TWA Getaway Vacations  
When it comes to planning a vacation, travel agents are the experts. They can offer you just about everyone's product, not only TWA's. They can help you by discussing all of them, so you can decide which vacation is best for you.  
You pay the same if you buy direct from, say, TWA or a travel agent. The difference is the many valuable services a travel agent performs. From issuing an air ticket, to planning a European vacation, they do the running around and take care of all details.  
Most travel agents have probably been to where you're thinking of going. They can tell you about hotels, climate, clothes, packing, passports, visas, what to expect, places to eat, things to buy.  
And once you select your travel agent, you're in for a lot of good, free advice.
