

**NEW PEACE EFFORT IN EARLY 1977**

JERUSALEM (WNS) -- Efforts at establishing a Middle East negotiating momentum will be renewed in early 1977. Foreign Minister Yigal Allon predicted.

He told reporters here that Israel has been ready to continue the diplomatic process but progress has been held up by the events in Lebanon and the Presidential election campaign in the United States. Allon said that Israel's own elections should not delay the diplomatic activities since the campaign for the Knesset will not be until the end of 1977. Allon praised the

U.S. for its middle-man role in the negotiations and said Israel expects the U.S. to continue this role whoever is elected President.

He said he hoped that the Palestine Liberation Organization's actions in Lebanon would give rise to "new thinking" within the Arab world.

Focussing on the upcoming United Nations General Assembly meeting, Allon said that in addition to the regular attacks by the Arabs and their fellow travelers on Israel, he expects the Assembly to give an "automatic" approval

of the recommendation by the "Committee of Twenty" that Israel evacuate the territories and hand it over to the PLO. The report was vetoed by the U.S. in the Security Council.

Allon also said that the Arabs will try to picture Israel as supporting apartheid. He said Israel's relations with South Africa were no different than that of the majority of nations, including Black African states, who trade with South Africa.

## I did it... So can you!

### IN ONLY 5 WEEKS

*After many years playing Keno, Roulette and other games and getting no results, I decided that all games require some sort of system. So I tried them all, and then I came up with a system that I thought would work.*

#### IT WORKS!

*After just five short weeks and only \$100.00 left in my pocket, I proved to myself (and to some astonished casino operators) that this system really does work!*
