Now to the new history of AZA. This series is to help you understand the organization a little better.

Early in 1923 in Omaha, Nebraska, a group of 15 Jewish boys around the age of 16 formed a club they called "ALEPH ZADIK ALEPH." On May 3, 1924, the group was formally chartered and the largest youth organization in the world began, founded by a young lawyer, Sam Beber.

At the time the ages for AZA were 16 - 21, but that was changed when many members were wiped out in World War II. The AZA program, based on 5 basic folds, is called the "Five Fold and Full Program." The program was founded by Dr. Boris D. Bogen. The folds are: ATHLETIC, COMMUNITY SERVICE, CULTURAL, RELIGIOUS, SOCIAL.
