

ISRAEL IS IMPORTANT TO U.S.

WASHINGTON (WN) -- The United States will continue to support Israel because of the Jewish State's democratic values, its geographic position in an area of possible U.S. - Soviet confrontation and because it refuses to condone terrorism, according to Defense Secretary Donald Rumsfeld.

"Israel is an important country in the world because of the example it sets," Rumsfeld said in an interview with Martin Agronsky over Public Broadcasting

Service television. Rumsfeld added that Israel's rescue of the hostages at Entebbe demonstrated that it would not sit still for terrorism. "I think that's an important lesson for people who believe in freedom, and it's good for the United States to see it and it's good for the rest of the world to see it."

Rumsfeld said the U.S. should continue working, as it has done for years, "to try to find a formula that works" for peace in the Mideast.

DEPORTATION HEARINGS POSTPONED

NEW YORK (WNS) -- Deportation hearings against one immigrant from Latvia and two from Lithuania, accused of war crimes during World War II, were postponed November 15 until January or February.

The Immigration and Naturalization Service has charged that the three - Boleslav Maikovskis, 75, of Mineola, Long Island; Karlis Detlavs, 65, of Baltimore, and Bronius Kaminskas, 73, of Hartford -- concealed their Nazi past and alleged war crimes when they applied for U.S. entry. The INS action, the first in more than 20 years, came after its investigators interviewed witnesses in Israel.

At the hearing before INS Court Judge Francis Lyons in New York, the government was ordered to clarify its charges against Maikovskis, Maikovskis, who has been working as a carpenter since entering the U.S. in 1951, must then

plea to the charges and a hearing will be held sometime in February. Identified as a wartime member of the Nazi-controlled police department in Rezenke, Maikovskis has been accused of selecting Jewish children from the Dvinsk ghetto in Latvia for execution in 1943 and other charges.

At a brief hearing in Baltimore Detlavs denied he took part in the massacre of Latvian Jews. The case against him was adjourned. Also adjourned was the hearing in Waterbury, Connecticut for Kaminskas, charged with complicity in the murder of 660 Jews in Lithuania in 1941. Attending the hear-

ing in New York, was Tuvia Friedman, the Nazi hunter, who is head of the Nazi Documentation Center in Haifa, and who said he was responsible for discovering Maikovskis 13 years ago. He said he had witnesses, documentations and other evidence against Maikovskis and other accused war criminals.
