

**TEFILLIN, MEZUZOS CAMPAIGN OF RABBINICAL**

The Rabbinical Alliance of America officially launched a campaign to acquaint the Jewish masses with the many important laws regarding the Kashrus of Tefillin and Mezuzos. Taking note of the deplorable situation prevalent even in the ranks of observant Jews, that of the purchase and use of these religious articles which do not conform with the exacting regulations of Jewish law, rabbis were urged to dedicate

at least one Sabbath sermon during the month of Kislev - December to alert their congregants to purchase these religious articles from reputable dealers.

Since the average buyer is unaware of the difference between the genuine article and a good imitation, the rabbi or a local scribe should be consulted where to buy these articles. Mezuzos must also be checked by a Sofer (scribe) at least once

every three years, because many may have deteriorated with age or have become unfit by the seepage of water, paint or other foreign elements which may blot out or impair the parchment.

The Rabbinical Alliance, 156 Fifth Ave., N. Y. C., 10010, will gladly answer any inquiries in this area and free literature and educational materials are available upon request.
