"WITHOUT TEMPTATION" A NEW FAST FOOD DIET RESTAURANT

Like most, we were always under the impression that Health Foods were Diet Foods. But nothing could be further than the truth. Health foods serve a purpose, but they also serve up the calories.) Now, for the first time in Las Vegas, we

have a dyed-in-the-wool DIET restaurant. Here is what our friend Fedora Bon-tempi told the readers of Vegas Visitor about "Without Temptation."

There's good news for our town's dieters - whether they are watching their calorie intake, or are on low sodium, salt free, sugar free, or low cholesterol diets. There's a lovely new dining spot in town for these dieters - or for those who just want to lose weight. It has the intriguing and provocative name of "WITHOUT TEMPTATION!" DIET RESTAURANT. Its slogan makes sense - "Eat right - Stay slim!"

Located in the Village Square of Commercial Center, on the side facing Vegas Village, "WITHOUT TEMPTATION" has turned out to be a boon to those on special diets. The problem of producing palatable, tasty food for dieters has been solved. Each item on the Menu demonstrates what skilled creativity and the proper use of the latest nutritional knowledge can do for controlled diets. The happy result is appetizing.

palatable dishes with imagination; foods that can be enjoyed.

"WITHOUT TEMPTATION" is being discovered by more and more people who, because of their special diets, have had to forego the pleasures of "dining out." "WITHOUT TEMPTATION" is no ordinary health food, vegetarian or fad foods restaurant - here one can indulge in meats, fish or fowl, omeletes, salads, a variety of sandwiches, gourmet dinners, and a delectable assortment of desserts and delicious shakes.

Let's face it, it is only within the past couple of decades that we've become food conscious and what foods can do to our bodies. It is hard to change eating habits as we grow older, but we are more likely to do so, if we find the kind of food that is not only delectable, but good for us.

Well known Las Vegas publicist MAXINE RAYMOND and her uncle JACK KANTOR, a 30 year veteran in the food industry, cognizant of a dieters dilemma conceived and created "WITHOUT TEMPTATION." As co-owners and hosts they have received many compliments for their endeavors.
