HAPPY NEW YEAR

Las Vegas Jazz

BOB LEONARD

KAREN NELSON & BILLY T, local favorite musical group under the name KELLY STEVENS-CARNIVAL, will add their jazz flavor, and hit single "Love Me One More Time," to major concerts in San Diego, and Long Beach...this group is so confident of their success, they asked for and finally received a written release from Walter Kane, so the group would not be tied up to mental lounge work at the Sands, Frontier, or Desert Inn...Sometimes, a group or talent has to take a stand in this business, and move on to bigger and better things... Karen's background with PAUL ANKA for 1-1/2 years has given her the "star" feeling just playing keyboards behind Paul, and wishing she were up there knocking the audience out...Billy's background as the first lead singer with CHICK COREA'S RETURN TO FOREVER GROUP, has given him that same "star" feeling, touring the world with a major attraction...To me, KAREN NELSON & BILLY T can't miss!!!!

Did you hear about all the hassles that took place with the booking of HELEN REDDY & DAVID STEINBERG???? I never did put Ms. Reddy in that "Superstar" category with the Important Ladies, like LENA HORNE, LIZA MINELLI, or BARBRA.....

If you never hung out on a weekend and never caught REDD FOX on stage, "in person" you are truly missing something in your lifetime... Let's face it, catching Redd's act is seeing "The Nastiest, Dirtiest, comedian ever," and isn't that worthwhile???? It is amazing what they show in movies today, why not listen to Redd tell you "how it really is"....He now presides at the Silver Bird Hotel, after hours, weekends.

GAIL MARTIN came back to the Trop for a "very short" engagement...I wonder what happened to her....With new owners at the Trop, again trying to run things, it was very difficult for them to decide who to let "four wall" the Blue Room, after RODNEY DANGERFIELD... So naturally the room is dormant...It would seem to me that any type of valid show with a name or not would be groovier for the hotel's reputation, than no show at all....Many, many names,

and groups, and packaged shows, are ready, willing and able to "four wall" the Blue Room at their own risk....Rodney brought with him a gal named JOEY ENGLISH, that is worthwhile to bring back again, and again...She was DYNAMITE, and I do look forward to her return.

I couldn't believe how long it took to go through the EMMY AWARD SHOW, Sunday nightOver 3 - 1/2 hours, has to be a record for any award show on TV...You must agree, everytime DOC SEVERSON had his horn on his lips, blowing in front of his hand picked sidemen, the audience in Pasadena, and at home, were lifted straight out of their seats...That music was swingin'....Best praise I ever heard anyone give anyone was the praise given to JOHNNY CARSON by ROBERT BLAKE....Man, that was passionette.

Next tight horn band to make it big in America is called MATRIX, from back East. They sound as "hot" as BLOOD, SWEAT & TEARS and/or CHICAGO....and that's saying something....This band has been the "sleeper" at all the Jazz Festivals.

I was so impressed by a group I saw at the Flamingo, called VOCAL POINT, that I decided to book them on a European tour....

Jazzfully yours.
