In order for parents to be able to impart their own values to their children, it is essential for them to supervise their children's TV viewing and spend time interacting, discussing, and sharing ideas about the programs. Otherwise, the children's values, ideas and attitudes become those of the TV set; shallow, unrealistic, and distorted, according to Everett J. Pollard, Human Development Agent, Cooperative Extension Service.

"DR'S. BAG," a Medical Show will air on Friday evening, October 21st from 7:30 to 8:00 p.m. on Channel #13 (ABC Affiliate). The program is sponsored as a Public Service by Valley Hospital and will have two psychiatrists discussing "Death and Dying."
