It's always a pleasure to receive contributions from my readers. Thanks to Myrna Segil for this beautiful poem:

Friendship is a priceless gift
That cannot be bought or sold.
But its value is far greater
Than a mountain made of gold.
For gold is cold and lifeless.
It can neither see nor hear.
And in time of trouble
It is powerless to cheer
It has no ears to listen
No heart to understand
It cannot bring you comfort
Or reach out a helping hand.

Answer to previous trivia: Although Jews represent only 1/2 of 1% of the world's population, more than 15% of all the Nobel prizes in the Sciences have been awarded to them.

FACT: Jews have headed the governments of at least 9 countries on Continents, Europe, Asia and Australia.

TRIVIA: Of the 613 commandments a Jew is instructed to carry out by the Bible, how many may be violated to save a life?
Shalom y'all.
