### TWA Getaway Vacations

See one desert sunrise, take one step through the walls of the Old City of Jerusalem, speak to one smiling face. In that fleeting instant, you'll understand why Israel is an hypnotic magnet for people the world over, regardless of race, creed or religion.

For here, Moses led his people to the Promised Land. Christ grew to manhood. Mohammed ascended to heaven. Here, the only guidebook you need is the Bible - both Old and New Testaments. For here, in one tiny and compact land, are the very roots that gave life from God to Man.

But Israel is more than tradition, history and sightseeing. People of every faith and walk of life are spellbound by its vitality, courage and a strange and fascinating beauty.

And the TWA way is to give you a vacation choice to suit every budget and your every reason for visiting Israel.
