Answer to last week's trivia: The book which indicates the world is round in a mystical commentary on the Bible entitled the "Zohar." Reference to a round world is also made in the Palestinian Talmud in the volume Abodah Zara III.

TRIVIA: The Bible is the world's most translated work. It exists in over 1,000 languages and has many times been the first book printed in a language or country. The second most translated book in the world is the work of another Jewish mind. Who is the author & title of this book?  
Shalom y'all.
