Have you wondered if Chanukah and Christmas ever came on the same day before 1978. And will it ever happen again? Well, lots of people did and we did some checking. Now, be the first on your block to know that since the turn of the century, Chanukah and Christmas fell on exactly the same day every 38 years. It happened in 1902, 1940, 1978 and will again happen in 2016. Let's make a date to be here when it happens next time!!!
