### BUSINESS URGED FOR EGYPT, ISRAEL

NEW YORK (WNS)  
-- Israeli Premier Menachem Begin and Egyptian President Anwar Sadat urged American businessmen to invest in their two countries.

Begin, in an address to more than 150 businessmen at a luncheon here sponsored by the U.S.-Israel Business Council and the U.S. Chamber of Commerce March 28, made a pitch for both countries. He urged Americans to invest in Israel where he said they would find the combination of "inventive brains" and "skilled labor" needed to make investments profitable.

### THOUSANDS GREET BEGIN RETURN

JERUSALEM (WNS)  
-- Premier Menachem Begin returned here March 29 after signing a peace treaty with Egyptian President Anwar Sadat in Washington, the first with an Arab country since Israel's establishment nearly 31 years ago.

He told an enthusiastic crowd of thousands who welcomed him at the Knesset that he hopes the agreement with Egypt would lead to the start of peace negotiations with other Arab countries. While noting that problems and difficulties still faced by Israel Begin said he was confident they would be worked out. "This is a his-

### ADL DON'T WANT NAZIS OFF HOOK

NEW YORK (WNS)  
-- The recommendation by a West German prosecutor to acquit four former Nazi concentration camp guards accused of participating in the murder of 250,000 Jews was strongly condemned by the Anti-Defamation League of B'nai B'rith.

The four defendants in the four-year-old trial served at Maidanek, near Lublin, Poland. They are Heinrich Schmidt, a camp doctor, and three guards, Hermine Boettcher, Rosa Suess and Charlotte Meyer.

Ambach said that proceedings would continue against nine other defendants, including Hermine Braunsteiner Ryan, who lived in Queens, N.Y., until she was deported. Justin J. Finger, the ADL's civil rights director, charged that volumes of testimony have been heard and that the evidence was considered sufficient when the four were indicted. "It would be most inappropriate for the courts to allow acquittal in these cases before the jury itself is given the opportunity of weighing the evidence that has been tirelessly gathered," he said.

### Passover Marvel

(The following information was gathered from the Columbia Encyclopedia, The Story of Pesach published by a commercial matzoth company, and Tolstoi.)

How much can be added to a story that has been commemorated and told in every Jewish family during the annual Seder? True, each year the ceremonial portion of the traditional party dwindles, while the menu for the feast keeps expanding in proportion to the new products that hit the market, labeled Kosher for Passover. The soup-to-nuts Seder now includes canned soups, frozen meats, all flavors of soda pop, many kinds of candy and after-dinner mints - all legitimately in keeping with Passover dietary laws, and stylish.

But the story persists, nevertheless.

It had its inception long before Moses, when Jacob's son Joseph, was sold into slavery by his brothers. Joe, with his Jewish "kup" interpreted a dream of the king Pharaoh which saved Egypt from starvation. All Joe did was store up grain during the years of plenty for food during the years of starvation.

Generations later, another Pharaoh, panicked by interpretation of a nightmare, ordered all
