All About
USY

Three hundred and fifty members of United Synagogue Youth from the eastern United States, Canada, and Israel will visit the Los Angeles area, July 15 - 20, 1979.

The teenagers are participating in USY-ON-WHEELS, a 6-1/2 week bus trip across North America. The program, now in its 19th year combines the personal experience of meeting Jews and non-Jews throughout the country with Jewish education and observance, while highlighting points of general and Jewish interest.

While in California, the "Wheelniks" and local USYers will tour the University of Judaism, Disneyland, Universal Studios, Farmer's Market, Beverly Hills, Fairfax, and attend various television

programs. Home hospitality will be provided by USYers from various temples all over the country.

Among other activities this summer, USY will have the largest group attending the annual pilgrimage to Israel. Over 750 teenagers from the U.S., Canada and even as far away as Finland along with an outstanding staff of Jewish educators and youth workers will spend 6 weeks visiting every aspect of Israeli life.

This is an experience of a lifetime and should be enjoyed by all who attend.

As far as our local chapter of U.S.Y. goes we are planning pool parties and many fun summer activities.
