Total Price*

Interval Ownership

Now an exciting vacation plan lets you beat the skyrocketing costs of Las Vegas hotel rooms.

You can own a spacious Jockey Club Condominium Suite, completely furnished, as low as \$595.00 down with convenient budget terms. You will receive a deed for your ownership that should provide equity build up and become part of your estate. The suites all have kitchens and are luxuriously furnished including linens, dishes and silverware. Just bring your family, clothes and a toothbrush. The suites can accommodate 4 to 6 people and your family and friends have the same rights and privileges as are afforded to you. With your purchase, you become a member of the Jockey Club which allows you the use of all the amenities here, including the pool, 4 tennis courts, health club and the use of over 40 associate clubs throughout the U.S. Your ownership also entitles you to a membership in the RCI exchange program. If you choose to vacation somewhere other than Las Vegas one year, you have a choice of exchanging for one of over 325 resorts throughout the world.
