DINO STAGGERS INTO MGM

Though the temperatures often reach 115 in Las Vegas in August and September, Dean Martin has a way of soothing the spirit with a cool manner and cool glass in hand; and he'll be doing it again when he opens in the plush

Celebrity Room of the MGM Grand Hotel, Aug. 28. Not an easy task either considering his evening guests for the special one week engagement are the scintillating Gold-diggers. Almost three quar-

ters of a million people have seen Dino perform at the Grand since the resort opened its doors back in December of 1973 and he still packs the majestic 1,200-seat showroom every performance. The career which skyrocketed with his still popular hit "That's Amore" back in the mid-fifties, is

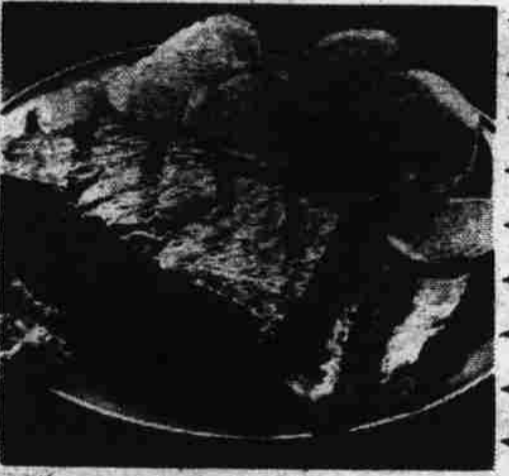

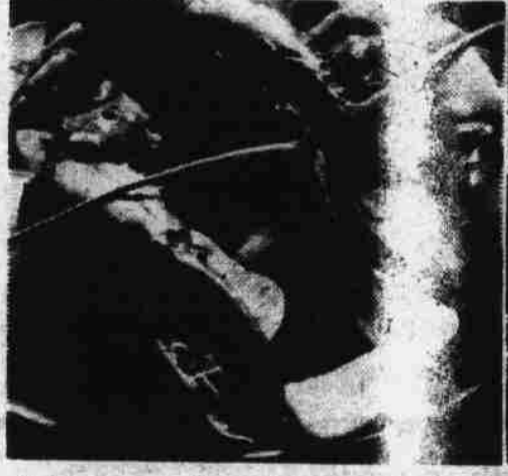

now a classic for the holder of 12 Gold Records and his Celebrity Roasts were the most popular weekly show on television. The Dean Martin Show, with his long-time special guests, the Goldiggers, and musical director Ken Lane will perform through Sept. 3.

Fast Freddy and the Playboys, the "Hottest" Male Go-Go Show in the nation, is now in the "Hottest" city in the nation at the Galaxy

Room at the Landmark Hotel. Fast Freddy, the undisputed king of male strippers, has been featured on such national television shows as Phil Donahue, NBC Today, ABC 20/20 and in such magazines as Playboy and Time. Fast Freddy's show is for 'Ladies Only' and done with a touch of class not seen since the days of 'Gypsy Rose Lee.' Show times are 8 p.m. and 11 p.m. in the Galaxy Room.
