NEW YORK (WNS) -- Police reported clear evidence of arson in a fire that destroyed Temple Emmanuel in the Parkchester section of the Bronx. They believe it was set by the same vandals who daubed anti - Semitic graffiti and Swastikas on the walls recently. Two fire-fighters braved smoke and flames to rescue two Torah scrolls in the two - story building.

TEL AVIV (WNS) -- Israel security agents have arrested a 35 - year - old Ramallah physician as a Soviet spy. A military spokesman in making the announcement, said the spy, Dr. Gohar El-Sayedj, has been recruited by the KGB, the Soviet secret police, while going to medical school in the Soviet Union. He sent his information to the Soviet Embassy in Amman, Jordan. Sayedj practiced in an East Jerusalem Hospital.
