

### ALIYAH? MEET WITH MR. BEGIN!

NEW YORK -- Americans who are planning to emigrate to Israel within the next year have been invited to meet with Israeli Prime Minister Menachem Begin during his visit to the United States in November, it was announced this week by Dr. Aharon Kfir, Director of the Israel Aliyah Center of

North America. The meeting with Prime Minister Begin, scheduled for November fifteenth, is being cosponsored by the Israel Aliyah Center and the North American Aliyah Movement. Approximately seven hundred people are expected to attend. According to Dr.

Kfir, the meeting marks the first time that a Prime Minister has invited Olim (immigrants) to meet with him at a large rally and underscores "the importance to Israel of Western Aliyah." "Especially today," Dr. Kfir said, "with the decrease in immigration from Russia

and other parts of the world, Israel's security and growth depend largely on an influx of determined new citizens. The creativity and talents of the western immigrant have contributed greatly to the society of Israel.

### SOVIETS BOAST OVER SYRIAN CONNECTION

UNITED NATIONS (WUP) -- In a joint Soviet-Syrian Communiqué, released here by the USSR Mission to the UN, the Soviets boast over their new 'friendship' treaty with Damascus which was signed in Moscow by Leonid Brezhnev and Hafez Assad. The communique, filling four pages, is anti-Israel throughout and contains attacks on Israel, the U.S., Egypt and the Camp David accords. It notes that "the two sides expressed concern that a

dangerous seat of tension continues to exist in the area as a result of Israel's aggressive actions and the imperialist forces supporting it. The communique contains a brief reference to the Persian Gulf and the Red Sea, the only culprit in the region it notes being the United States. It further proclaims "solidarity with the (pro-Soviet) Democratic Republic of Afghanistan," a matter that is bound to displease other Moslems.
