

PERRY COMO PLANTS A TREE

PERRY

One of Israel's VIP visitors last month was Perry Como, filming for his hour-long Special to be aired by ABC TV throughout the nation on December 13, 1980.

During the course of the filming, Perry visited the Jerusalem Peace Forest Planting Center. He was very impressed to hear about the vast Jewish National Fund reforestation program and to learn that every visitor to Israel could do what he was

about to do: be a part of Israel's rebirth by planting a tree with his own hands. American TV audiences will be able to watch Perry planting his tree on a hillside overlooking the City of Jerusalem.

After the planting, Perry was presented with a special JNF commemorative certificate, earning the comment that "this, unlike celluloid, can be framed and given pride of place at home."

TERRORISTS AMBUSH SCHOOL BUS

JERUSALEM (WNS) -- Terrorists ambushed a school bus carrying children from Kadumim to Elon Moreh in Samaria. There were no casualties among the nine children and other passengers aboard the bus, but the driver and an armed civilian escort sustained slight injuries. The driver was credited with saving the children when he ordered them to lie on the floor as machinegun bullets peppered the bus shattering windows. Several bullets lod-

ged in an orange crate behind which the children crouched.

The driver raced the bus away from the scene at top speed while the armed guard returned the fire.
