UNITED NATIONS (WNS) -- Secretary General Kurt Waldheim has rejected charges that the issuance by the United Nations Postal Administration of a pro - Palestinian series of stamps legitimizes terrorism. Three stamps bearing the inscription "inalienable Rights of the Palestinian People" in English, French and German were issued Jan. 30. The stamps were authorized by a General Assembly resolution in 1979, and have drawn sharp protests from various groups and individuals.

JERUSALEM (WNS) -- Israel Air Force planes bombed four terrorist targets in south Lebanon following overnight shelling by Palestine Liberation Organization units of the northern Israeli towns of Kiryat Shemona and Metullah. Four children and three adults were injured in Kiryat Shemona, most of them only slightly. Some electric power lines were knocked down in Metullah and other damage was done but there were no injuries. An Army spokesman said Israeli artillery opened fire on the source of the rocket attacks.
