## DUNES TRIES NEW GAME OF CHANCE

A colorful game of chance -- the first of its kind to appear in any U.S. casino -- was officially opened at the Dunes Hotel and Country Club this week. The game is called "Pula - Puti" in the Philippine Islands where it originated (the Dunes has anglicized that to "Lucky Squares"). Illegal but very popular in its homeland, Nevada gaming authorities

have given approval for Pula - Puti to be played at the Dunes for a 60 - day trial period. It was developed locally by Las Vegas businessman Amado Lopez, himself a native Filipino, who has been working on the project for several years. A UNLV professor aided in the mathematical computation of the odds to insure a fair return to the player.

## AN "EVENING OF COMEDY" EXTENDED

"AN EVENING OF COMEDY" currently in the Landmark's Empire Showroom has been extended thru May 9th. Murray Langston, the Unknown Comic who initially thought of the 3-comedy - act concept, will remain in the show thru that date, but will rotate other acts in weeks to come.

Future acts at this time are slated to be Korean comedian Johnny Yune (April 13-18), who also filled in for Roger & Roger for 4 nights comedy/ventriloquist Willie Tyler & Lester (April 13 - April 24), newcomer to Las Vegas, Jimmy Brogan (April 25), Johnny Dark (May 1 - May 9), and returning comedy/musical team Roger & Roger (April 20-30).

"An Evening of Comedy" is 90 minutes of non-stop laughter topped by Murray Langston (The Unknown Comic) "the prince of puns" and who is zanier and crazier than ever with or without the bag. He will do bag impressions, "magic" and make "whopee." He is funny; he is hysterical; he is comedy at it's wildest

and a sure bet to keep you rollicking in laughter!

Korean comic, Johnny Yune will open the show. He explains the differences between Oriental and American women, how he got in trouble by taking colloquia-

lisms literally, the trouble with doctors & food, plus, he sings both parodies of well-known songs and beautifully shows off his incredible "pipes" on "You Are My World." Yune has appeared on the "Tonight Show" 21 times "Griffin," "Dinah!" "Davidson," "Douglas," "Love Boat," his own special, "Sgt. T.K. Yu" plus the film, "Meteor" and "Cannonball Run," soon to be released.

Comedy / ventriloquist Willie Tyler & Lester will round out the evening's entertainment. Tyler is an excellent technician of his art and

has some of the most howlacious dialogue ever between himself and Lester, his dummy who doesn't think he's so dumb--

he can even sing along with Tyler! Together, they have appeared on all the major talk shows and originally made their Las Vegas debut with Sammy Davis Jr. at Caesars Palace.

Please make welcome, three entirely different forms of comedy in "An Evening of Comedy" nightly at 9 p.m. and 12 midnight at the Landmark Hotel!
