

### PLO HAS TARGETS IN EUROPE

BONN (WNS) -- According to a report in the West German daily, Frankfurter Allgemeine Zeitung, Al Fatah, the mili-

tary strike force of the Palestine Liberation Organization decided in mid-August to step up its attacks on Jewish targets in

Europe. The terrorist assault on a synagogue in Vienna which left two people dead and 18 wounded was apparently part of the plot which includes Jewish installations in Western Europe. According to the

paper, the decision by Al Fatah was taken at a "special" meeting, which was also attended by PLO chief Yasir Arafat. His deputy, Abu Jihad, who heads the PLO's military branch, was assigned

to contact European terrorist organizations in West Germany, Spain, Italy and Turkey. The paper said the information was supplied by Arab diplomats. No explanation was given

as to what motivated the Arab diplomats to leak the information.
